BA (Hons) Counselling FT (Greenwich Franchise) - 2021:22

This programme has been specifically designed for practising counsellors already qualified to diploma or foundation degree level and working in paid employment, private practice or a voluntary setting. It provides a unique opportunity for counsellors to deepen their understanding of counselling theory and practice, to gain more understanding of client issues and how to work with them, undertake a literature review on a research question of their own choosing and gain a degree at the same time.

The course requires one day attendance in college, 80 hours counselling practice in a placement or in private practice, one-to-one or group supervision in line with BACP guidelines leading to a satisfactory supervisor's report on completion, a significant amount of independent reading and research which in all amount to the equivalent of full time study.
